Welcome to the 2023 Kiwanis Music Festival. This is the 57th annual festival and the first time we are in-person since 2019. Our theme this year is: ***Celebrating Music Together***. And, it really will be a celebration! I personally am looking forward to watching each and every participant this year, and I hope to see many of you there.

I would like to thank the music teachers. It has been a difficult few years and now more than ever the need for the arts in our communities is so important. You all continue to inspire your students to learn, create and perform! Thank you to all of the parents, the volunteers, the sponsors, the donors, the Kiwanis Music Festival Committee, the adjudicators and the Friends of the Festival. Thank you all for your continued support of all of our festival participants, you inspire us!

And now, to the participants, young and older, congratulations, you are ready, have fun and remember this is a CELEBRATION, enjoy!

Kiwanis Club of Nipissing President's Greeting

Welcome to the 57th annual Kiwanis Music festival.

We are happy to host another suite of local talented musicians in our first in-person music festival since the beginning of the pandemic. The past several years have been difficult on everyone and it is events such as this that help to bring our community together.

Music provides our youth with an outlet that helps to express and explore their feelings and their emotions. It takes hours of dedication and practice to master a musical talent and the benefits of doing so can last a lifetime.

As a past Kiwanis Music Festival participant, I am grateful to have the opportunity to be a part of this long-standing Kiwanis tradition. I want to thank all of our local sponsors, the adjudicators, as well as our organizing committee and volunteers, who work tirelessly to bring this event together.

All the best to this year's musicians, parents and family members, we look forward to hearing all that you have prepared for us.

Justin Wigelius

President

Message from the Co-Chairs of the Festival

Greetings and Welcome Back !

It is so wonderful to be able to hear you play in person once again.

The music has continued as you all toiled away, mostly on your own. And now you can hear each other, hear the different styles of playing music - all of them are great and we love them! While you have become adept at performing for video technology, there is nothing like hearing music played in person.

Sharing of the beautiful energy that music brings to us all is such a gift. You may not appreciate how much of a gift it is all the time, but your family and friends do and we do too. They will appreciate it all the more as you continue to practise your way into more pieces - both those which have been shared down through the ages and those being written today and every day.

Your family, your parents, your friends are all so proud of you, and so are we. And so are the adjudicators who have come to listen to you play. They have supported the music for the past several years as they listened to many hours of recorded performances. While it has been convenient not to travel, again, it is not the same as hearing performances in person.

The Music Festival Committee has been working towards this day when we can share the fun and joy that we have each experienced from the love of music. Our adjudicators especially know of and appreciate all the different challenges you have each faced in learning to play an instrument. Our sponsors and supporters all want you to have the space where you can individually perform and hear your peers do so. We hope that you may find some personal satisfaction in your ability to overcome those challenges, of learning to play and to share your skills.

So now is your chance to share your music. We thank you for sharing the pieces that you have been working on and hope that you will continue to advance in your own way along the path of music.

We welcome you back.

IMPORTANT INFORMATION FOR PARTICIPANTS

General Information

1. A publisher's copy of all pieces must be supplied for the adjudicator. This rule will be strictly enforced; if there is no music, there will be NO MARK. **Adjudication will be at the discretion of the adjudicator.** Please reclaim your music at the end of your class from the session Chair. Follow ALL copyright rules.
2. All sessions and classes will begin no earlier than scheduled. Any changes to the procedure must be with the consent of all entrants.
3. **Participants should be allowed to perform in an atmosphere of respect and quiet. Spectators and other entrants are asked to observe this courtesy.**
4. Copies of the adjudicator's remarks will be handed out by the adjudicator or Chair Person at the end of each class.
5. As stated on the Entry Form, fees are non refundable if an entrant is unable to attend.
6. Participants must be ready to perform within five minutes of the time their name is called. Those not complying with this rule will be disqualified.
7. Pianos used where the piano events are being held may not be used for practice by any entrant between sessions.
8. The Festival Committee reserves the right to record, broadcast or televise any or all sections presented at the Festival, except by those who declined the photo release.
9. The Kiwanis Music Festival is organized and operated by the Kiwanis Club of Nipissing as a non-profit service. Any surplus funds realized will be returned to the festival fund for the following year.
10. The complete rules of the Festival are published annually in the Syllabus. Please read them carefully.

Award Distribution

1. The awards and trophies shown for each discipline reflect the categories and classes entered in the 2023 Kiwanis Music Festival. The award system may be revised time to time depending on the participation in certain disciplines. This year, we are using two types of award standards:

A. Competitive Standard:	First Place Certificate	80% or more
	Second Place Certificate	75% or more
	Third Place Certificate	70% or more

In order to preserve a high standard of performance, a first place certificate will not be awarded to any participant who receives less than 80%.

B. World Standard:

Gold	85% or more
Silver	80%-84%
Bronze	75%-79%

In the World Standard, there could be several awards, or none, presented in each category, as the level of each group is recognized independent from the level of competition on that particular day. This standard is being used for Band and Choir categories only.

2. Certificates will be awarded for each class for first, second and third place standing in the Competitive Standard. At the discretion of the adjudicator, marks may be read for those participants only. Marks are not publicized in the World Standard.
3. All trophies, cash awards and scholarships will be presented with the awards schedule.

TROPHIES AND AWARDS ARE PRESENTED SOLELY ON THE DECISIONS OF THE ADJUDICATORS AND THESE DECISIONS ARE FINAL AND BINDING.

AWARDS FINALE CONCERT: Friday May 5th, 6:30pm @ Calvin Presbyterian Church

We would like to thank all our Music Festival Sponsors for their participation. Your support allows us to continue to provide our talented performers with an excellent opportunity to showcase their musical talents.

Nancy Promane

Nancy Promane has been teaching music for over 30 years and holds a Masters degree in Music from the University of Toronto, a Bachelor of Music from McMaster University and a Bachelor of Education from Nipissing University.

Her vast experience includes teaching Primary Music, Beginning Band, Middle School and Senior-level music. In addition, she has directed many Junior, Middle and Senior School wind ensembles. Ms. Promane is well-known in the instrumental circle for her techniques and practices of delivering and cultivating successful band programs. She has also been invited to conduct twice at the Conference of Independent Schools' Music Festival (CISMF) held at Roy Thomson Hall each spring. The Ontario Band Association has recognized her for her outstanding conducting skills, and her school bands have been awarded "Gold" status year after year at the Ontario Band Festival and Heritage Music Festival in the United States. Ms. Promane continues to impart her love and knowledge of instrumental music to her students, while motivating, supporting, and collaborating with her colleagues. She has taught in both public and independent schools, recently finishing a 13 year tenure as Head of Music at an independent school in southern Ontario. Highlights of her career thus far include having conducted a student performance on the Great Wall of China and leading school music trips to Spain, Italy, Czech Republic, and Germany, where her students also performed. In addition, she spent 10 seasons working as musical director for the Near North Board of Education's summer musical theatre program (TOROS) where she had the opportunity to hone her skills. This is Nancy's second appearance as adjudicator at the North Bay Kiwanis Festival and she is pleased to be back in her hometown, where, while growing up, music played an integral part in her life.
